

SHINE YOUR LIGHT!

INTRODUCE YOURSELF TO YOUR LEGISLATORS IN TRENTON & DONATE TO PT PLAN

What does a physical therapist “do”? Plenty! And *you* are just the person to tell your legislators. Get to know your legislators. Enlighten them on the benefits of physical therapy and the value of services provided by licensed physical therapists and physical therapist assistants. Invite them to tour your facility. Educate your Senator and two Assemblypeople on the important issues that affect *your* PT practice. Funds from PT PLAN allow *aptanj* to support those legislators who advocate for the profession.

Members of *aptanj* can review bills that impact physical therapy and share comments with the *aptanj* Legislative Advisory Panel by clicking on the PT ADVOCACY button at www.aptanj.org. For additional legislative information such as finding the names of your NJ legislators, tracking bills as they move through the State House in Trenton, and listening to Senate and Assembly meetings *while they occur*, go to <http://njleg.state.nj.us>. Keep this website handy so you can help colleagues, patients, family and friends contact their legislators too!

Help *aptanj* help YOU shine your light. Donate to PT PLAN today.

Credit card donations now accepted: Visa, Mastercard & Discover.
